# GEORGE STRAIT

**AGE** 58  
**STATUS** Married

*How do we love him? We invited longtime pal Lee Ann Womack to count the ways:*

*"He is the ultimate gentleman, the ultimate cowboy. He can rope, ride and run a ranch. He knows his way around a horse, the state of Texas, a crisp starched shirt or a song! No one makes country music—and looks as good doing it—like my friend George Strait."*

## Let's Hear It for the Boys!

The women of Sugarland, Gloriana and Little Big Town on their boy bandmates

### ▲ TOM AND MIKE GOSSIN OF GLORIANA

"Michael is adorable cute, and Tom is more classic cute, so they cover all ends of the cute spectrum. Mike's got that blond spiky hair and an eccentric personality. Tom's got classic movie-star looks and is health-conscious."

—CHEYENNE KIMBALL

### ▲ KRISTIAN BUSH OF SUGARLAND

"Everyone notices his big blue eyes first. Kristian is definitely romantic. He's a Pisces, and he always wants the boy to get the girl."

—JENNIFER NETTLES

### ▲ PHILLIP SWEET & JIMI WESTBROOK OF LITTLE BIG TOWN

"Phillip is very affectionate and very loving. We tease him sometimes."

—KIMBERLY SCHLAPMAN

"Jimi's the life of the party and all heart. That and his rugged good looks is why I married him!"

—KAREN FAIRCHILD
